

Xtract One Technologies Partners with Oak View Group to Secure Co-op Live, Manchester's New 23,500 Capacity Arena

April 10, 2024

AI-Powered Security Solution Integrated Into Arena Infrastructure Improves Fan Experience and Security Capabilities for Record-Breaking Arena

Toronto, ON – April 10, 2024 – [Xtract One Technologies](#) (TSX: XTRA) (“Xtract One” or the “Company”), a leading technology-driven threat detection and security solution that prioritizes the patron access experience by leveraging AI, today announced that it is partnering with [Oak View Group](#) (“OVG”), the global venue development, advisory, and investment company for the sports and live entertainment industry, to bring its fan screening solution to secure all entrances of [Co-op Live](#) in Manchester, England opening on April 23, 2024.

The next generation, 23,500 capacity venue is the largest arena in the UK and is Xtract One’s first OVG customer partnership in Europe. In this three-year contract, Xtract One’s SmartGateways will provide this new venue with fast and frictionless fan screening that optimizes their experience without compromising security, with an AI-powered, multi-layered security solution that secures all patrons.

“We are thrilled to partner with Xtract One to bring our cutting-edge security solution to Co-op Live in Manchester,” said Gary Roden, Executive Director and General Manager of Co-op Live. “We pride ourselves on leveraging leading-edge innovation to bring our fans memorable experiences. The safety and security of our fans is always our number one priority at Co-op Live, and partnering with Xtract One further helps us deliver this outcome. We are excited to launch this innovative project, and look forward to delivering an exceptional fan experience for years to come.”

The full deployment across all stadium entrances will account for UK-specific security risks allowing security teams to protect fans effectively.

“We are excited to expand our footprint and partner once again with Oak View Group to provide our state-of-the-art security solution for Co-op Live in Manchester,” said Peter Evans, CEO of Xtract One Technologies. “Our SmartGateway ensures that security screening is fast, effective, and most importantly, non-invasive, allowing patrons to move through the entrance seamlessly. Most importantly, through our continued partnership with OVG and Co-op Live, we have a strategic anchor upon which to build our pragmatic approach to growth, and expansion outside of North America. We look forward to continuing to revolutionize the way venues approach security, outside of North.”

About Xtract One

[Xtract One Technologies](#) is a leading technology-driven threat detection and security solution leveraging AI to provide seamless and secure patron access control experiences. The company makes unobtrusive threat detection systems that enable venue building operators to prioritize and deliver improved patron experiences while providing unprecedented safety. Xtract One’s innovative Gateway product enables companies to covertly screen for weapons at points of entry without disrupting the flow of traffic. Its AI-based software allows venue and building operators to identify weapons and other threats inside and outside of facilities, and receive valuable intelligence for optimizing operations. About Co-op Live

Oak View Group (OVG), City Football Group (CFG), Harry Styles, and Co-op are joining forces to create Co-op Live, the biggest and best arena in the UK. Based in Manchester, the project is injecting £365m of private investment into the Northwest. Co-op Live will be one of the world’s premier music and entertainment venues, rivalling New York’s Madison Square Garden, The Forum in LA and The O2 in London.

World class, planet friendly and at the heart of the local community, Co-op Live will deliver one of the world’s most pioneering, sustainable, and socially responsible venues, delivering Co-op’s vision of a fairer world into the entertainment industry. The project will create 3,350 construction jobs and 1,000 roles and apprenticeships on completion of the venue as well as giving over £1m back to national and local good causes.

Co-op Live will be located on the Etihad Campus, and will host live music, sport, comedy, award shows and family entertainment.

Co-op Live's smart 'bowl' design means it is big but intimate with cutting edge visual technology, incredible acoustics and 32 bars, restaurants, lounges, and club spaces.

Forward-Looking Statements

This news release contains forward-looking statements within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations, or beliefs of future performance, are "forward-looking statements". Forward-looking statements can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "estimates", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, events, or developments to be materially different from any future results, events or developments expressed or implied by such forward looking statements. Such risks and uncertainties include, among others, the Company's limited operating history and lack of historical profits; risks related to the Company's business and financial position; fluctuations in the market price of the Common Shares; that the Company may not be able to accurately predict its rate of growth and profitability; risks related to economic conditions, and global markets; reliance on management; the Company's future requirements for additional financing, and the effect of capital market conditions and other factors on capital availability; competition, including from more established or better financed competitors; and the need to secure and maintain corporate alliances and partnerships, including with research and development institutions, clients and suppliers. These factors should be considered carefully, and readers are cautioned not to place undue reliance on such forward-looking statements. Although the Company has attempted to identify important risk factors that could cause actual actions, events, or results to differ materially from those described in forward-looking statements, there may be other risk factors that cause actions, events or results to differ from those anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in forward-looking statements. The Company has no obligation to update any forward-looking statement, even if new information becomes available as a result of future events, new information or for any other reason except as required by law.
