About Threat Detection Systems

Xtract One solutions, when properly configured, deployed, and utilized, are designed to help enhance safety and reduce threats. Given the wide range of potential threats in today's world, no threat detection system is 100% effective. Xtract One solutions should be utilized as one element in a multilayered approach to physical security.

Forward Looking Statements

This news release contains forward-looking statements within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance and customer contracts, are "forward-looking statements". Forward-looking statements can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "estimates", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Such forward-looking

statements involve known and unknown risks, uncertainties and other factors that may cause actual results, events or developments to be materially different from any future results, events or developments expressed or implied by such forward looking statements. Such risks and uncertainties include, but are not limited to, the risks detailed from time to time in the continuous disclosure filings made by the Company with securities regulations. These factors should be considered carefully, and readers are cautioned not to place undue reliance on such forward-looking statements. Although the Company has attempted to identify important risk factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other risk factors that cause actions, events or results to differ from those anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in forward-looking statements. The Company has no obligation to update any forward looking statement, even if new information becomes available as a result of future events, new information or for any other reason except as required by law.
