market verticals globally**

Recent Milestones

- ✓ Record annual revenue of approximately \$29 million
- ✓ Announced customer win for 48 Xtract One Gateway units with Volusia County Schools, Florida
- ✓ Awarded the U.S. Department of Homeland Security (DHS) SAFETY Act Designation for our multi-sensor gateway portfolio
- ✓ Listed on the UK National Protective Security Authority's catalogue of security equipment as a discriminative metal detection system
- ✓ Strong growth in sports and entertainment with numerous professional sports teams and global entertainment companies
- ✓ Strategic investment from Madison Square Garden Sports
- ✓ Continued expansion into other market segments including Education, Healthcare, Manufacturing, and Commercial Buildings
- ✓ Initiated commercial deployment of Xtract One Gateway, our next generation system for environments with medium level of personal belongings such as schools, convention centers, and commercial offices

SmartGateway

- Designed for sports and live entertainment venues
- High efficacy of weapons detection in environments with a lower volume of personal belongings
- DHS SAFETY Act Designation; requirement for professional sports leagues
- Equipped with integrated traffic flow pacing features that help guide patrons through entry points more efficiently

xtract one gateway

- Designed for facilities with a medium volume of personal belongings like schools, workplaces, and conference centers
- Ability to accurately identify and categorize objects (both threats and everyday items)
- Bi-directional scanning with customization of object detection for ingress vs. egress

DISCLAIMER: No securities exchange has reviewed nor accepts responsibility for the adequacy or accuracy of the content of this presentation. This presentation contains forward-looking statements relating to system sales, product development, licensing, commercialization and regulatory compliance issues and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects", "believes", and similar expressions. All statements other than statements of historical fact, included in this presentation are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include counter party default and other risks detailed from time to time in the filings made by the Company with securities regulations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this presentation are expressly qualified by this cautionary statement. The forward-looking statements contained in this presentation are made as of the date of this presentation and the Company will not update or revise publicly any of the included forward-looking statements except as expressly required by applicable law.
